

# Concept Note – Aputuogya Market Complex

---

Project Location: Aputuogya, Bosomtwe District, Ashanti Region, Ghana

Project Objective: To develop a modern, accessible and structured market complex to support trade, improve livelihoods, and enhance local economic activity.

Background: Aputuogya serves as a growing settlement with increasing commercial activity but lacks an organized trading infrastructure.

Proposed Solution: Construction of a multi-use market complex with stalls, storage, sanitation facilities, and access roads.

Expected Outcome: Improved trading environment, increased local revenue, and strengthened economic resilience.
